STUDENT LIFE & CAREER SERVICES

We provide a supportive and stimulating learning environment for those seeking a career in fine craftsmanship. Outside of the classroom, students attend social events, career workshops, a business preparation course, and public lectures that enhance their hands-on instruction. Our alumni are also well-connected to the School, offering students both mentorship and employment opportunities.

ADMISSIONS & FINANCIAL AID

Our students are hard-working, patient, and determined to excel in a rigorous environment. They value fine craftsmanship and the satisfaction of learning a traditional trade. We welcome applications throughout the year, with the class start for Violin Making & Repair occurring each February and September.

Financial aid, scholarships, and veterans benefits are available to qualified students. To learn more and apply, visit nbss.edu/financialaid.
